

K Pro CD

K Pro CD is a heavy duty, concentrated, 100% solids citrus degreaser that is ideal for removing grease and oil deposits from concrete floors and other surfaces. This non-petroleum, non-etching, organic, and biodegradable degreaser is environmentally safe. K Pro CD is also ideal to remove wax based curing compounds, deposits of grease, oil, rubber tire marks and a variety of other tough compounds on floors and around industrial equipment.

ADVANTAGES:

- ✔ Environmentally Safe
- ✔ Biodegradable
- ✔ Non-Etching
