

SureWeld

SureWeld is a ready-to-use, water-based, re-wettable bonding agent made of pure polyvinyl acetate. When applied as a bonding agent on concrete or block, this heavy-duty product effectively bonds the subsequently applied stucco, terrazzo, concrete or cement-based material to structurally sound surfaces. Because SureWeld is re-emulsifiable, the subsequent application may take place anytime within 30 days after SureWeld has been applied. For ease of application, SureWeld is tinted blue for easy identification of treated areas.

ADVANTAGES

- ✔ Contains Zero VOCs
- ✔ Re-Wettable for Up To 30 Days
- ✔ Self-curing
- ✔ Water & chemical resistant
- ✔ Increased adhesive strengths
- ✔ Multi-purpose
- ✔ Will not discolor white cement mixtures
- ✔ Reduces maintenance costs
- ✔ Superior adhesion
- ✔ Does not produce a vapor barrier

USES

- ✔ Bond New Concrete or Repair Mortars to Concrete
- ✔ Ideal for Use with Underlayments & Overlayments
- ✔ Admixture for Mortars, Toppings, Patches, Stuccos, Etc.
- ✔ For Use with White Coat, Gypsum
- ✔ Plaster, Portland Cement, Concrete, Acoustical Plaster and Similar Materials

COMPLIANCES

- ✔ ASTM C-1059, Type 1

PACKAGING

- ✔ 1-gallon jugs
- ✔ 5-gallon pails
- ✔ 55-gallon drums
