

Silicure

Silicure is a clear, ready-to-use, sprayable, VOC compliant concrete curing, hardening, and dustproofing compound that is compatible with flooring adhesives. Silicure will help to adequately cure and penetrate to harden freshly placed concrete in one simple step. Silicure may also be used on aged concrete to reduce or eliminate dusting. Silicure meets the moisture retention requirements of ASTM C-309 when used on hard-troweled or burnished concrete.

ADVANTAGES

- ☑ ASTM C-309
- ☑ Contains Zero VOCs
- ☑ Non Flammable
- ☑ Dustproofing of Existing Floors
- ☑ Non-Yellowing
- ☑ Odorless
- ☑ Water Based
- ☑ Spray Applied
- ☑ USDA
- ☑ U. S. Army Corps of Engineers
- ☑ LEED Credits
- ☑ Colorless – Will Not Change the Appearance of Concrete
- ☑ Compatible with Flooring Adhesives
- ☑ No Residue
- ☑ Basic Chemical Resistance
- ☑ Available with Red Fugitive Dye
- ☑ Also Available as a Concentrate called Silicure Concentrate

USES

- ☑ Cure, Harden & Dustproof New Slabs In One Easy Step
- ☑ Dustproofing Aged Concrete Floors

PACKAGING

- ☑ 1-gallon jugs
- ☑ 5-gallon pails
- ☑ 55-gallon drums
